Care and Package Management Charge You will be allocated a dedicated Case Manager to assist you to live your life the way that you choose. Your Case Manager will assist to tailor support to your needs. They are experienced, professional and dedicated. If your circumstances change, they will be flexible in their approach to ensure additional support is available to you. Service includes: <ul style="list-style-type: none">• identifying your individual needs• advice on additional support options you may require• planning, monitoring and adjust your support schedule• organising additional professional services• sourcing aids and equipment• engaging additional providers as requested by you.	These charges are calculated as per our TransitCare Care Management pricing schedule.
Please Note Period updates of fees and charges may occur, and you will be given notice of any changes to our fees and charges and impact of service delivery costs.
